INFORMATION

All participating yachts will receive a forward start-time adjustment determined by the numbers of boats in the race.

Participation is achieved by starting and completing a significant portion of the event. Yachts at the tail end that might otherwise return late may return without finishing and still receive the adjustment.

The Coordinator may use discretion to award an adjustment if a boat once started considers the conditions unsuitable or in the case of equipment failure.

The race cut-off time is 5 pm. so crew can still get back to the club for a drinks and announcements
