

Introducing our \$25 Cruising Membership

The Redcliffe area has a large cruising orientated fleet that has no established means of coordinating like-minded participants in ad-hoc or organised cruises. Ad-hoc cruises tend to be arranged at short notice when a suitable weather window opens.

NCYC has established a cruising membership with a nominal administrative fee which provides a database of boats that may interact through the club's email and social media systems. Members planning a trip locally or further afield may then let others know so that they may join in if they are able.

Graham Richardson, currently our most avid cruiser has volunteered to administer the program.

Our Cruising coordinator would also post photos and reviews.

sailing.ncyc@gmail.com can be used for this purpose and we have an active Facebook page.
