

INVITATION

NCYC COMPASS REGATTA

20th & 21st October 2018

The **NEWPORT CRUISING YACHT CLUB** extends an invitation to all eligible yachts to take part in our annual **NCYC COMPASS REGATTA** to be sailed in DECEPTION BAY over the weekend of the **20th and 21st October 2018**.

Entry to this Regatta event is free, and limited berthing for visiting boats has been generously provided by Compass Marinas. Usual marina berthing conditions apply. Please forward a current insurance certificate if you would like to take advantage of one of these berths.

The REGATTA will involve a pursuit race on Saturday - no spinnakers or extras (our usual Rum SAGS race) followed by a line start race on Sunday which may include spinnakers or extras and use of which will incur a 3% penalty. There will be one division and consistent with the underlying 'social sailing' ethos of our club the REGATTA will be conducted under the International Rules for the Prevention of Collision at Sea (The COLREGS).

Visiting boats will be assigned a handicap to be adjudicated by the NCYC handicap subcommittee.

A social gathering and BBQ Dinner is planned for Saturday evening at our Clubhouse at Compass Marinas and all NCYC members and visiting Regatta participants are invited. A dinner fee of \$15.00 per head (payable at the door) will apply. There will also be 'bar facilities' available for the purchase of drinks. Sorry no BYO permitted.

There are quality cafe venues close to our Clubhouse where crew can enjoy a relaxing breakfast and obtain lunch for those crews who want to stay on the water between races.

There will be **quality prizes** for overall placings in both races and the overall Regatta place getters.

The Notice of Race, Sailing Instructions and Entry Form will be available for downloading from the NCYC Website at: www.newportcruisingyachtclub.com.au

For further information please contact the NCYC Secretary at: secretaryncyc@gmail.com
